

Covered Entities Guide for Public Users

Viewing a Covered Entity Record

This guide describes how to review and use the information contained in a covered entity record.

After having generated a list of covered entities that match your search criteria [[Searching for a Covered Entity](#)], the next step is to either view the record for the covered entity that is the subject of your search (see step 6) or, if your search produced a list of entities meeting your criteria, you can customize the way the data is presented.

Customizing the Data Presentation for Multiple Entities

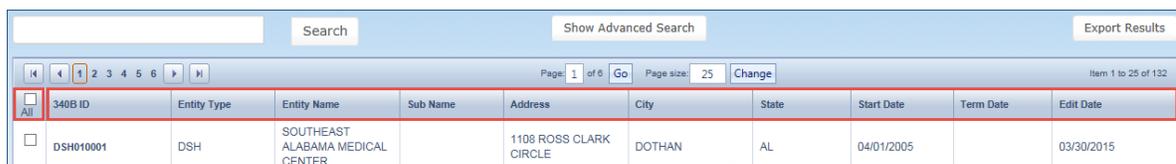

The following steps describe how you can manipulate search data:

- 1) The number of items returned in the upper-right corner identifies how many covered entries the search found. If the number listed is more or less than you desire, modify your search criteria accordingly [[Searching for a Covered Entity](#)].

340B ID	Entity Type	Entity Name	Sub Name	Address	City	State	Start Date	Term Date	Edit Date
DSH010001	DSH	SOUTHEAST ALABAMA MEDICAL CENTER		1108 ROSS CLARK CIRCLE	DOTHAN	AL	04/01/2005		03/30/2015

- 2) **Page Size:** Type the number of rows you want to view per page and select the **Change** button to resize the search results table.
 
- 3) **Hide/Show Search Criteria:** When you click the **Hide Advanced Search** button, only the search results display. You will not see the search criteria fields above the results. Click the **Show Advanced Search** button to display them.
- 4) **Export Results:** To learn how to export search results to an Excel spreadsheet, refer to the [Exporting Search Results Data](#) guide.
- 5) Click a column heading to sort it in ascending or descending order. The default is descending order, so the first time you click a heading it will rearrange search results into ascending order.

340B ID	Entity Type	Entity Name	Sub Name	Address	City	State	Start Date	Term Date	Edit Date
DSH010001	DSH	SOUTHEAST ALABAMA MEDICAL CENTER		1108 ROSS CLARK CIRCLE	DOTHAN	AL	04/01/2005		03/30/2015

6) To view details for a covered entity, click the ID link in the **340B ID** column.

340B ID	Entity Type	Entity Name	Sub Name	Address	City	State	Start Date	Term Date	Edit Date
